RESULTS OF MACHINE RECOUNT IN VOLUSIA COUNTY

The Volusia County Canvassing Board has finished the machine recount.

After re-tabulating 230,994 ballots, segregating out the over votes and under votes, balancing the number signatures with number of ballots cast, working several 15 hour days by most staff members, the results were as follows:

- State Representative District 26, Elizabeth Fetterhoff received 30,599 votes (50.04%) and Patrick Henry received 30,544 votes (49.96%). This race will now undergo a manual recount per Florida Statute.
- Volusia County Council District 1, Barbara Girtman received 20,640 votes (50.21%) and Pat Patterson received 20,465 votes (49.79%).
- Edgewater City Council District 1, Rocky Dorcy received 4,287 votes (49.84%) and Christine Elaine Power received 4,315 votes (50.16%).
- The results for the State Races can be found on our website, volusiaelections.org.

According to Supervisor Lewis, "Although the process was tedious and time consuming I am pleased to present the results that could not have been accomplished without dedicated canvassing board members and Department of Elections employees."
